

# Public Information Open House

Wednesday, November 30, 2011  
2:00 p.m. - 8:00 p.m.  
Macedonian Community Centre  
5225 Howard Avenue, Windsor

The Windsor Essex Mobility Group is hosting the fourth Public Information Open House for the Windsor-Essex Parkway. Through our ongoing consultation you are sharing your ideas and we're listening. This is another opportunity to find out the latest information on this important project and provide feedback and suggestions on new project details.

Join us to learn more about:

- pile driving including where, when and the anticipated duration
- locations selected to stockpile material including where, when, anticipated duration, and dust control measures
- key intersection details
- aesthetics of structural elements such as noise barriers and retaining walls
- works planned for Grand Marais Drain, Wolfe Drain, Cahill Drain, Lennon Drain and the Lennon Drain Fish Compensation Pond
- the proposed closure at Matchette Road of the eastbound ramp to E. C. Row Expressway
- noise mitigation measures
- current design and construction details
- status of utility relocations, the Landscape and Trails Master Plan, and Traffic Management Plan
- how to stay informed and involved now that construction has begun.

**Wednesday, November 30, 2011, at the Macedonian Community Centre from 2:00 p.m. - 8:00 p.m.**

**General Presentation Times:**

2:30 p.m., 5:00 p.m. and 6:45 p.m.

Specific community presentations will be held for residents between Outer Drive to Geraedts Drive, Geraedts Drive to Cabana Road, and Cabana Road to Ojibway Parkway. Three presentations will

be delivered for each community at:

3:00 p.m., 5:30 p.m. and 7:15 p.m.

*Information collected at the Open House will be used in accordance with the Freedom of Information and Protection of Privacy Act and the Access to Information Act. With the exception of personal information, all comments become part of the public record.*

*The Public Information Open House will build upon the community consultation previously conducted through the Detroit River International Crossing (DRIC) study and the Public Information Open Houses held on March 9, May 18, and July 13, 2011. In accordance with Ontario Environmental Assessment Act requirements, a Design and Construction Report (DCR) will be prepared and made available for review. The DCR will document how the commitments and mitigation outlined in the Ontario Environmental Assessment Report and the Canadian Environmental Assessment Screening Report have been addressed. Notices advising of the availability of the DCR will be published in local newspapers and online.*
